

# Marine & Terminals Products & Solutions

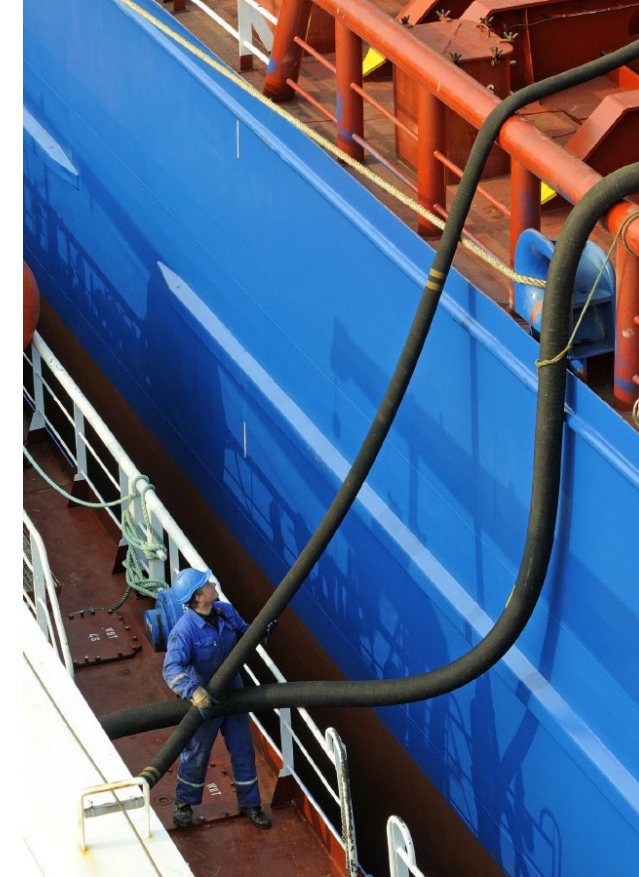

*Flexiflo*  
CORP.  
The Hose & Fitting Specialists

# Marine Bunkering & Cargo hoses

- Ship to Ship / Dock Transfer.
- EN1765 L15 Bunkering Standard
- Gasoline, Gasoil, Crude, Bitumen etc.
- Sizes from 3", 4", 6", 8" & 10".
- 40mts & 60mts lengths.
- Clamped, Crimped & Built-In Assemblies.
- Supplied with slings, gaskets, studs, bolts & insulating flanges upon request.
- Manufacturer :- Elaflex, Dunlop-HiFlex

# Marine Composite Hoses

**DANTEC**

- Ship to Shore Transfer.
- IN ACCORDANCE TO BS EN 13766.
- LPG, Chemicals, Gasoline & Gasoil.
- Sizes from 1" to 10".
- Max Viscosity :- 400 centistrokes.
- Supplied with slings, gaskets, studs, bolts & insulating flanges upon request.
- Manufacturer :- DANTEC, UK

# EXPANSION JOINTS – Rubber & SS

---

- **APPLICATIONS:** LOADING / UNLUNLOADING.
- **MATERIAL OF CONSTRUCTION**– STAINLESS STEEL & RUBBER.
- **SIZES:** 1" TO 10".
- **MANUFACTURER:** ELAFLEX, GERMANY & MHH, INDIA.

# SKF – RecondOil Filtration System

- Get rid of the nanoparticles
- Can stop oxidation process
- Create a potentially endless oil life

- Removes both soluble and insoluble
- Avoiding clogged systems
- Varnish removal also offers cooler operational temperature and longer component and oil life.

- Efficient at water removal
- Remove dissolved, emulsified and free water out of an oil.

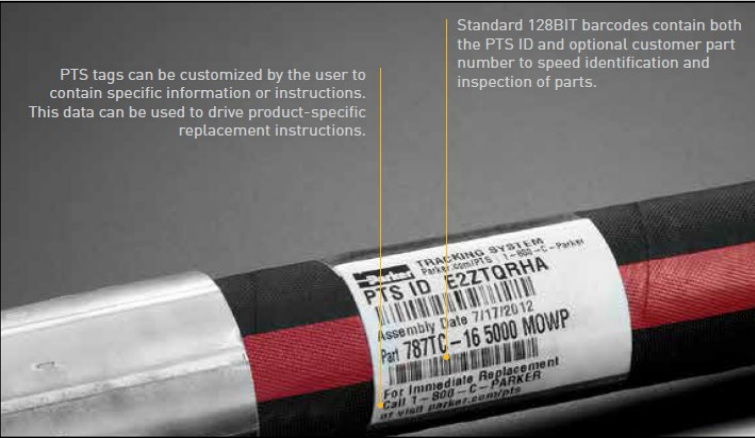

# Hydraulic Hoses & Fittings for Marine Loading Arms

- Parker Hydraulic hoses for medium pressure, high pressure hydraulic applications – Sizes ¼” to 2”.
- Parker Quick Coupling & adaptors.
- Assemblies are tagged with Unique Part Nos for Identification and Hydro-testing is done and Bar Chart Recordings can be provided when requested.

# Hose / Asset Tagging System

**Parker Tracking System**  
Fast. Easy. Exact.

**REDUCE**

- Downtime
- Paperwork
- Parts Lead Time
- Asset Management Complexity

**INCREASE**

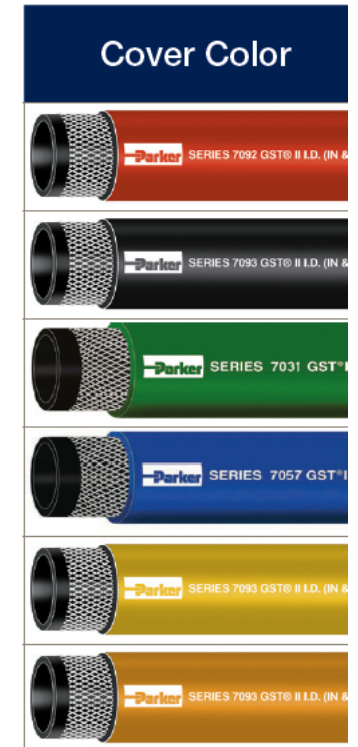

- Aftermarket
- Customer Service
- Machine Availability
- Safety
- Compliance

# Graco Hydra Clean System & AODD Pumps a heavy-duty high pressure washer for all the cleaning jobs

- ATEX approved
- Efficient cleaning
- Robust Construction
- Multiple pressure ratios available.
- Safe to use in hazardous environme
- Pneumatic operated.
- Easily serviceable on site.

	Graco Hydra-Clean 23:1 Cart Mount	Graco Hydra-Clean 30:1 Cart Mount	Graco Hydra-Clean 40:1 Cart Mount
<b>Max. working pressure</b>	157 bar (15,7 MPa, 2.275 psi)	211 bar (21,1 MPa, 3.065 psi)	276 bar (27,6 MPa, 4.000 psi)
<b>Max. air input pressure</b>	7 bar (0,7 MPa, 100 psi)	7 bar (0,7 MPa, 100 psi)	7 bar (0,7 MPa, 100 psi)
<b>Fluid flow @ 60 cpm</b>	34,7 lpm (9,2 gpm)	25,9 lpm (6,8 gpm)	17,4 lpm (4,6 gpm)
<b>Volume per cycle</b>	580 cc (19,6 oz)	430 cc (14,5 oz)	290 cc (9,8 oz)

**Graco Hydra-Clean pressure washer**
